

Christopher Cantaloupe's Melon Mysteries

Did you know...

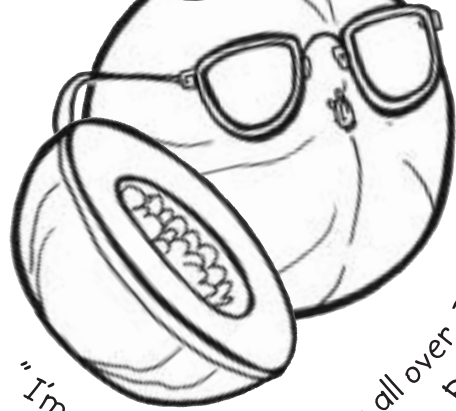

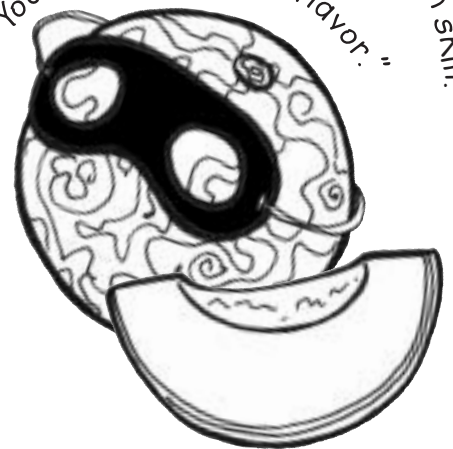

Melons are in the same family as squashes, pumpkins, and cucumbers.

Use the clues to connect each melon with its picture. Then have fun coloring the pictures!

"Inside, I'm orange. Outside I have rough skin. Vitamins A & C are in me! You 'CANT' beat my flavor."

"I'm very sweet and green all over. I'm full of Vitamin C. People really 'DO' love me."

"I'm red inside and sometimes I have lots of flat black seeds. My vitamins A & C are very good for you, and rain 'WATER' is good for me, too."
